It may seem rather out of the ordinary for a practicing physician to recommend a proprietary medicine and I must say that there are only a few remedies that are worthy of praise. I have prescribed Doan's Kidney Pills very often and I know of many permanent cures that have resulted from their use. I do not hesitate to advise persons who suffer from kidney complaint in any of its various forms to

The Teachers Association that was held here Saturday, Nov. 5, from 2 p. m. to 4 p. m. on the above date, was of intense interest. It was well attended by the teachers, patrons and students. The topics that were assigned to each teacher were discussed with force and accuracy.

Supt. Driskell was present and opened every avenue that seemed to be obstructed.

At night there was an Educational Meeting held at the church and at 8 p. m. every seat was filled. The audience was almost moved by two songs that was sung by the student body, after which there were two able addresses delivered by Prof. E. W. Beard, of Hardinsburg, and Prof. R. H. C. Mitchell, of Brandenburg. What was said and done at those two sessions will cause us to strive after higher ideals.
